## Summary

- A multidisciplinary designer with a background in visual design, user experience design and an understanding of the customer journeys used in the creation of user-centered solutions.
- Experience using software like Adobe Creative Suite and Figma for design system management, content creation, and information architecture planning.
- Diverse work and volunteer experiences which honed the ability to quickly synthesize information and effectively communicate with cross-functional peers and stakeholders.

## Experience

### UX Designer

#### No Spoon Solutions

Nov 2020 - Present (2 years 8 months)

- Led products from discovery through iterative delivery for web design, proposals, marketing collateral, etc.
- Applied information architecture principles in the creation of user-centered solutions in line with client objectives, i.e., increasing form conversion by 20%
- Analyzed research, presented data, and created personas that aided in the development of recruiting and sales strategies
- Worked with cross-functional peers and stakeholders to define the scope of work, plan sprints, and understand/assess KPIs

### Product Designer

#### Self Employed

Oct 2015 - Present (7 years 9 months)

- Conceptualized visuals based on requirements (i.e., web design, digital assets, print media.)
- Created graphics, wireframes, hi and low fidelity prototypes for digital spaces.
- Generated content using AI platforms
- Developed brand identities, style guides, marketing assets for social media campaigns

### Shift Lead

#### Starbucks

Oct 2018 - Aug 2019 (11 months)

- Managed execution of product merchandising, marketing material display, and customer interactions, showcasing excellent communication and collaboration skills

### Volunteer Media Team Staff

#### Legacy Church

Sep 2017 - Jan 2019 (1 year 5 months)

- Provided in-house social media marketing, photography, and design services
- Ensured consistent look & feel across multiple social media platforms

- Collaborated with cross-functional teams to coordinate the management of social media campaigns

## Sales and Marketing
